The Ronald McDonald House Charities of Charleston

The Ronald McDonald House Charities of Charleston is a 32 bedroom home where families stay while their children undergo extensive medical treatment. Here, parents and children lead a life as normal as possible during their traumatic times without the financial burden of costly hotel and travel expenses.

RMHC Charleston has helped more than 60,000 moms, dads, brothers and sisters over the past 35 years here in Charleston, SC. A majority of our families come from South Carolina, but we have served families from all 50 states and 14 different countries.

It is through your support, that we are able to continue to help these families during their darkest times. Last year we helped 968 families who traveled to Charleston for their child’s medical treatment.

Ronald McDonald House Charities empowers families by providing stability and vital resources so they can get and keep their child happy and healthy. By keeping families together, RMHC helps children heal faster and cope better.
