Your Contributions Make A Difference

"Without RMHC Charleston, we really don't know where we would have stayed. You don't realize how much support and help you need until you have an event that makes you feel helpless. That's why we are forever grateful to RMHC Charleston - they stepped up when we really needed them."

Turville Family from Bluffton, SC

Ronald McDonald
House Charities®
Charleston

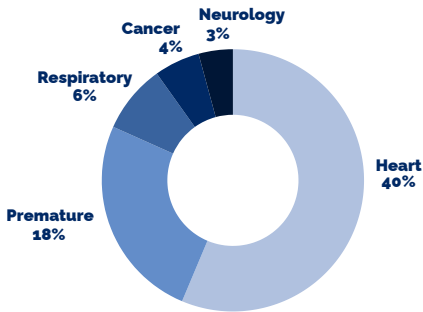

2024

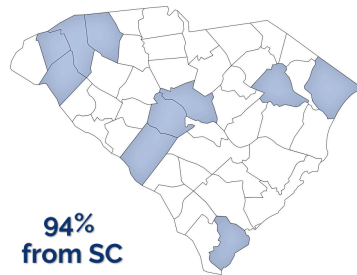

"At McDonald's of Charleston, we are passionate about kids and giving back to the community that supports our business. Partnering with RMHC Charleston has allowed us to support their mission of keeping families close in their greatest time of need and directly aligns with our core values of family and community. We proudly support RMHC Charleston through customers' generosity in our Round-Up for RMHC program, making financial gifts, donating food items, and fundraising. RMHC Charleston is truly a blessing to families and it is an honor to partner with such a remarkable charity."
